New version of Jelly Bomber out TODAY : Hey everyone! Over the last few days, Dinofarm Games has been working on a cool

update for Jelly Bomber , and this update is OUT RIGHT NOW! It has a lot of nice improvements, particularly in the UI (check out our new character select screen!). There's also a new Apricot pit sprite which makes it look a lot more distinct compared to the apricots themselves.. The Berry Baron has LIFTOFF! : Hey everyone! Today marks the official (EARLY ACCESS) launch of the third official Dinofarm Games game (officially!)! We're really proud of how Jelly Bomber is coming together, but we also have a lot of ways we can still improve it. Let us know what you think of it so far. Also, you should know that we have a GUIDE up which explains the basics. Also, Dinofarm Games also has a Patreon where you can support us and our future endeavors. Check that out here: .
